SOCIAL SCIENCE | CLASS 6

WORKSHEET 3 | Locating Places on the Earth

Name: _____ Class: _____ Section: _____

Remarks: _____

ACTIVITY 1 India: lines that matter

Skill focus: Map observation + geographical reasoning

On the real map of India, label the two dashed reference lines.

a) Label the Tropic of Cancer (23½° N) and the IST meridian (82½° E).

b) Why does India follow one standard time?

ACTIVITY 2 Time-zone thinking lab

Skill focus: Numeracy + real-world application

Tick (✓) the correct statement.

☐ Earth rotates 15° in about one hour.

☐ All places on Earth have the same local time.

If it is 12 noon at Greenwich, what time is it in India (IST)?
