SOCIAL SCIENCE | CLASS 6

WORKSHEET 1 | Oceans and Continents

Name: _____ Class: _____ Section: _____

Remarks: _____

ACTIVITY 1 World map lab

Skill focus: Spatial awareness + map identification

Use this real world outline. Write the names directly on the map.

a) Label Asia, Africa, North America, South America, Europe, Australia and Antarctica. Circle the largest continent.

b) Label Pacific, Atlantic, Indian, Arctic and Southern Oceans.

c) Colour one ocean blue and one continent green.

ACTIVITY 2 Land or water?

Skill focus: Data awareness + communication

Earth is about 71% water and 29% land. Shade the 10 boxes to show roughly how much is water. Then answer the question.

Why is Earth called the Blue Planet?
